

Reading Skill and Strategy

Reading Skill: Categorize

This skill helps you understand and remember what you have read by organizing facts into groups, or categories.

Read "California's Location." Then fill in the chart below.

California's Neighbors

1. North	_____
2. South	_____
3. East	_____
4. West	_____

Reading Strategy: Predict and Infer

5. Read "California's Location." Write a prediction about what people from another state might do if they took a vacation to California.

6. Read "Geographers Ask Four Questions." What do geographers do?

7. Read "Geographers Ask Four Questions." Then write about why geographers ask these questions.
