Almanac Map Practice

Use the map to do these activities and answer these questions.

Practice

1. Draw a circle around the highest point in California. Draw a square around the lowest point in California.

_____

_____

2. Look to the north of California. Which state shares California's northern border? _____

3. About how many miles is it from San Francisco Bay to Lake Tahoe?

_____

4. What is west of California? _____

5. What river flows into Monterey Bay? _____

Apply

6. With a partner, look at the map above. Find the region of California where you live and draw a circle around it. Look on the map for a natural feature nearest to your home. It can be a river, a lake, the ocean, or a mountain. Draw a triangle around the feature's name. Then write that name on the line below.

_____
