

Almanac Map Practice

Use the map to do these activities and answer these questions.

Practice

1. Shade in Australia.
2. Which continent borders the Arctic and Indian oceans? _____
3. Which mountain is farther south, Mt. McKinley or Mt. Kilimanjaro?

4. Use directional terms to compare the flow of the Amazon River to the flow of the Mississippi River. _____

5. Draw a box around the mountain range along the western edge of South America.

Apply

6. Read the first two paragraphs on page 39 of Chapter 2. Compare the information in the paragraphs to the map above. Does Beringia still exist? How can you tell?
